Assessment Information for UOG Students

1) Sending emails:

For all UOG **assessment-related matters**, please send an email to examoffice_UOG@lsbf.edu.sg using your **LSBF email address.**

You must provide your full name (no nicknames), UOG Bannerweb ID (starts with 00……) and name of the program you are enrolled in.

If you want to do a follow-up with the exam team, please reply to the same email thread instead of sending a brand-new email. This way the exam team can refer to your previous emails when replying to you.

****IMPORTANT: Updates/information from the examination office will only be sent to your LSBF email address. If you need to reactivate your account, please contact your**

****Students are placed in mixed classes. This means that the students you attend classes with may not be from the same cohort as you. Some students may have started classes earlier and therefore graduate before you or receive grades for certain modules earlier. You are advised to email the exam office directly rather than discuss exam issues with your classmates.**

2) Assignments, Exams, Online Tests:

For **assignments**, you can expect to see your grades about 4-6 weeks after the submission deadline.

For **exams**, you can expect to see your grades about 4 weeks after the exam is complete. **All UOG written exams are conducted at LSBF; they cannot be done online.**

For **online tests**, you can expect to see your score on Moodle by the following day.

***If you see a fail grade on Moodle or your student transcript, DO NOT resubmit a new assignment. You have to wait for the next results letter which will inform you of the university's decision. Please wait for this as LSBF will be unable to provide any information before the results letter is issued on Moodle.**

3) Extenuatiog Circumstances (EC)

If you are unable to submit an assignment, attend an exam or take an online test, please apply for EC on Moodle. The instructions are available on Canvas, on the same page that this document is found **('EC and Grace Period')**. **You must do the necessary in the stated timelines or your EC will not be approved.**

4) PAB and Results Letter:

The grades you see in your student transcript will be presented at the next available Progression and Awards Board (PAB) for finalization. **Please note that the PABs dates are determined by UOG, not LSBF.** PAB will determine if you:

- can proceed to the next stage of your studies (no action on your part)
- graduate (award will be mentioned in the letter)
- need to re-sit (retake exams/online tests, resubmit assignments)
- need to repeat a module (notify your respective Program Executive).

These decisions will be stated in the results letter available on Moodle only after the PAB. The final grades and awards for those who graduate can also be found in this letter. **For instructions on how to access the results letter, please refer to the PDF on Canvas named 'UofG-Checking of Results and PAB'.**

5) Re-sit

When your results letter states that you have to retake an exam or online test/resubmit an assignment, please wait for the exams office to email you via your LSBF email account. **The cost of each re-sit assessment is SGD 163.50.**

Resubmissions:

Once the resubmission date is shared by the university, you will receive an email which will give you the following information:

- module assignments for resubmission
- total re-sit cost
- modes of payment

Once payment is made, send a screenshot as confirmation. The resubmission links and deadline will then be sent to you. If you do not make payment, you will receive NN (0) for the assignment(s). If you pay but do not resubmit work, you will not get a refund and will receive NN.

Retaking an exam:

For quality assurance, you may only be able to retake a particular exam in the next academic year. If this is the case, you will have to wait for the next available date when the module is offered by the university.

All written exams have to be done at LSBF. They cannot be done online (even if you apply for EC).

If the university allows you to retake an exam in the weeks that follow the issuance of your results letter, you will receive an email with the following information:

- exam(s) to retake
- total re-sit cost
- modes of payment

Once payment is made, send a screenshot as confirmation. The exam details will then be sent to you. If you do not make payment, you will receive NN (0) for the exam. If you pay, but do not attend the exam, you will NOT get a refund and will receive NN.

Retaking an online test:

Once the online test date is shared by the university, you will receive an email which will give you the following information:

- test date
- total re-sit cost
- modes of payment

Once payment is made, send a screenshot as confirmation. The online test information will then be sent to you. If you do not make payment, you will receive NN (0) for the test. If you pay but do not do the test, you will NOT get a refund and will receive NN.

***Please note your re-sit/resubmission grades will not be available immediately and will only be presented at the next PAB to determine if you pass the module. The grades will be available in the results letter that is issued on Moodle.**

6) Graduation Certificates and transcripts

If your results letter states that you have graduated, please wait for an email to be sent by the school. You have one week to reply to this email to confirm your name and DOB. You only have one week as LSBF needs to send this information back to UOG. If you email back with changes to be made after one week has passed, your certificate and transcript may have the wrong details printed and they will need to be sent back.

After this information is shared with UOG, you can expect your certificate and transcript to arrive at LSBF in 6-8 weeks. The university does not issue digital certificates for students at overseas partnership schools, such as LSBF. For scanned copies, you will need to wait for the physical documents to arrive at LSBF first. While waiting, you can request a **letter of completion** from your respective Program Executive.

When the documents arrive at LSBF, you will be notified via **LSBF email only**. Please read the email carefully and follow the instructions. This will include information about authorizing someone else to collect your documents on your behalf, overseas courier at your own cost and scanned copies.
